

# EUROPEAN AEROSOL ASSEMBLY

## Thirteen Aerosol Societies:

1. GAeF, Germany and **INTERNATIONAL**
2. AS, United Kingdom and Ireland
3. ASFERA, France
4. NOSA, Nordic countries
5. The Dutch/Belgium Aerosol Society
6. FAAR, Finland
7. IAAR, Israel
8. HAeS, Hungary
9. CAS, Czech Republic
10. AECyTA, Spain
11. HAAR, Greece
12. IAS, Italy
13. IceDust, Iceland

Aerosol Research

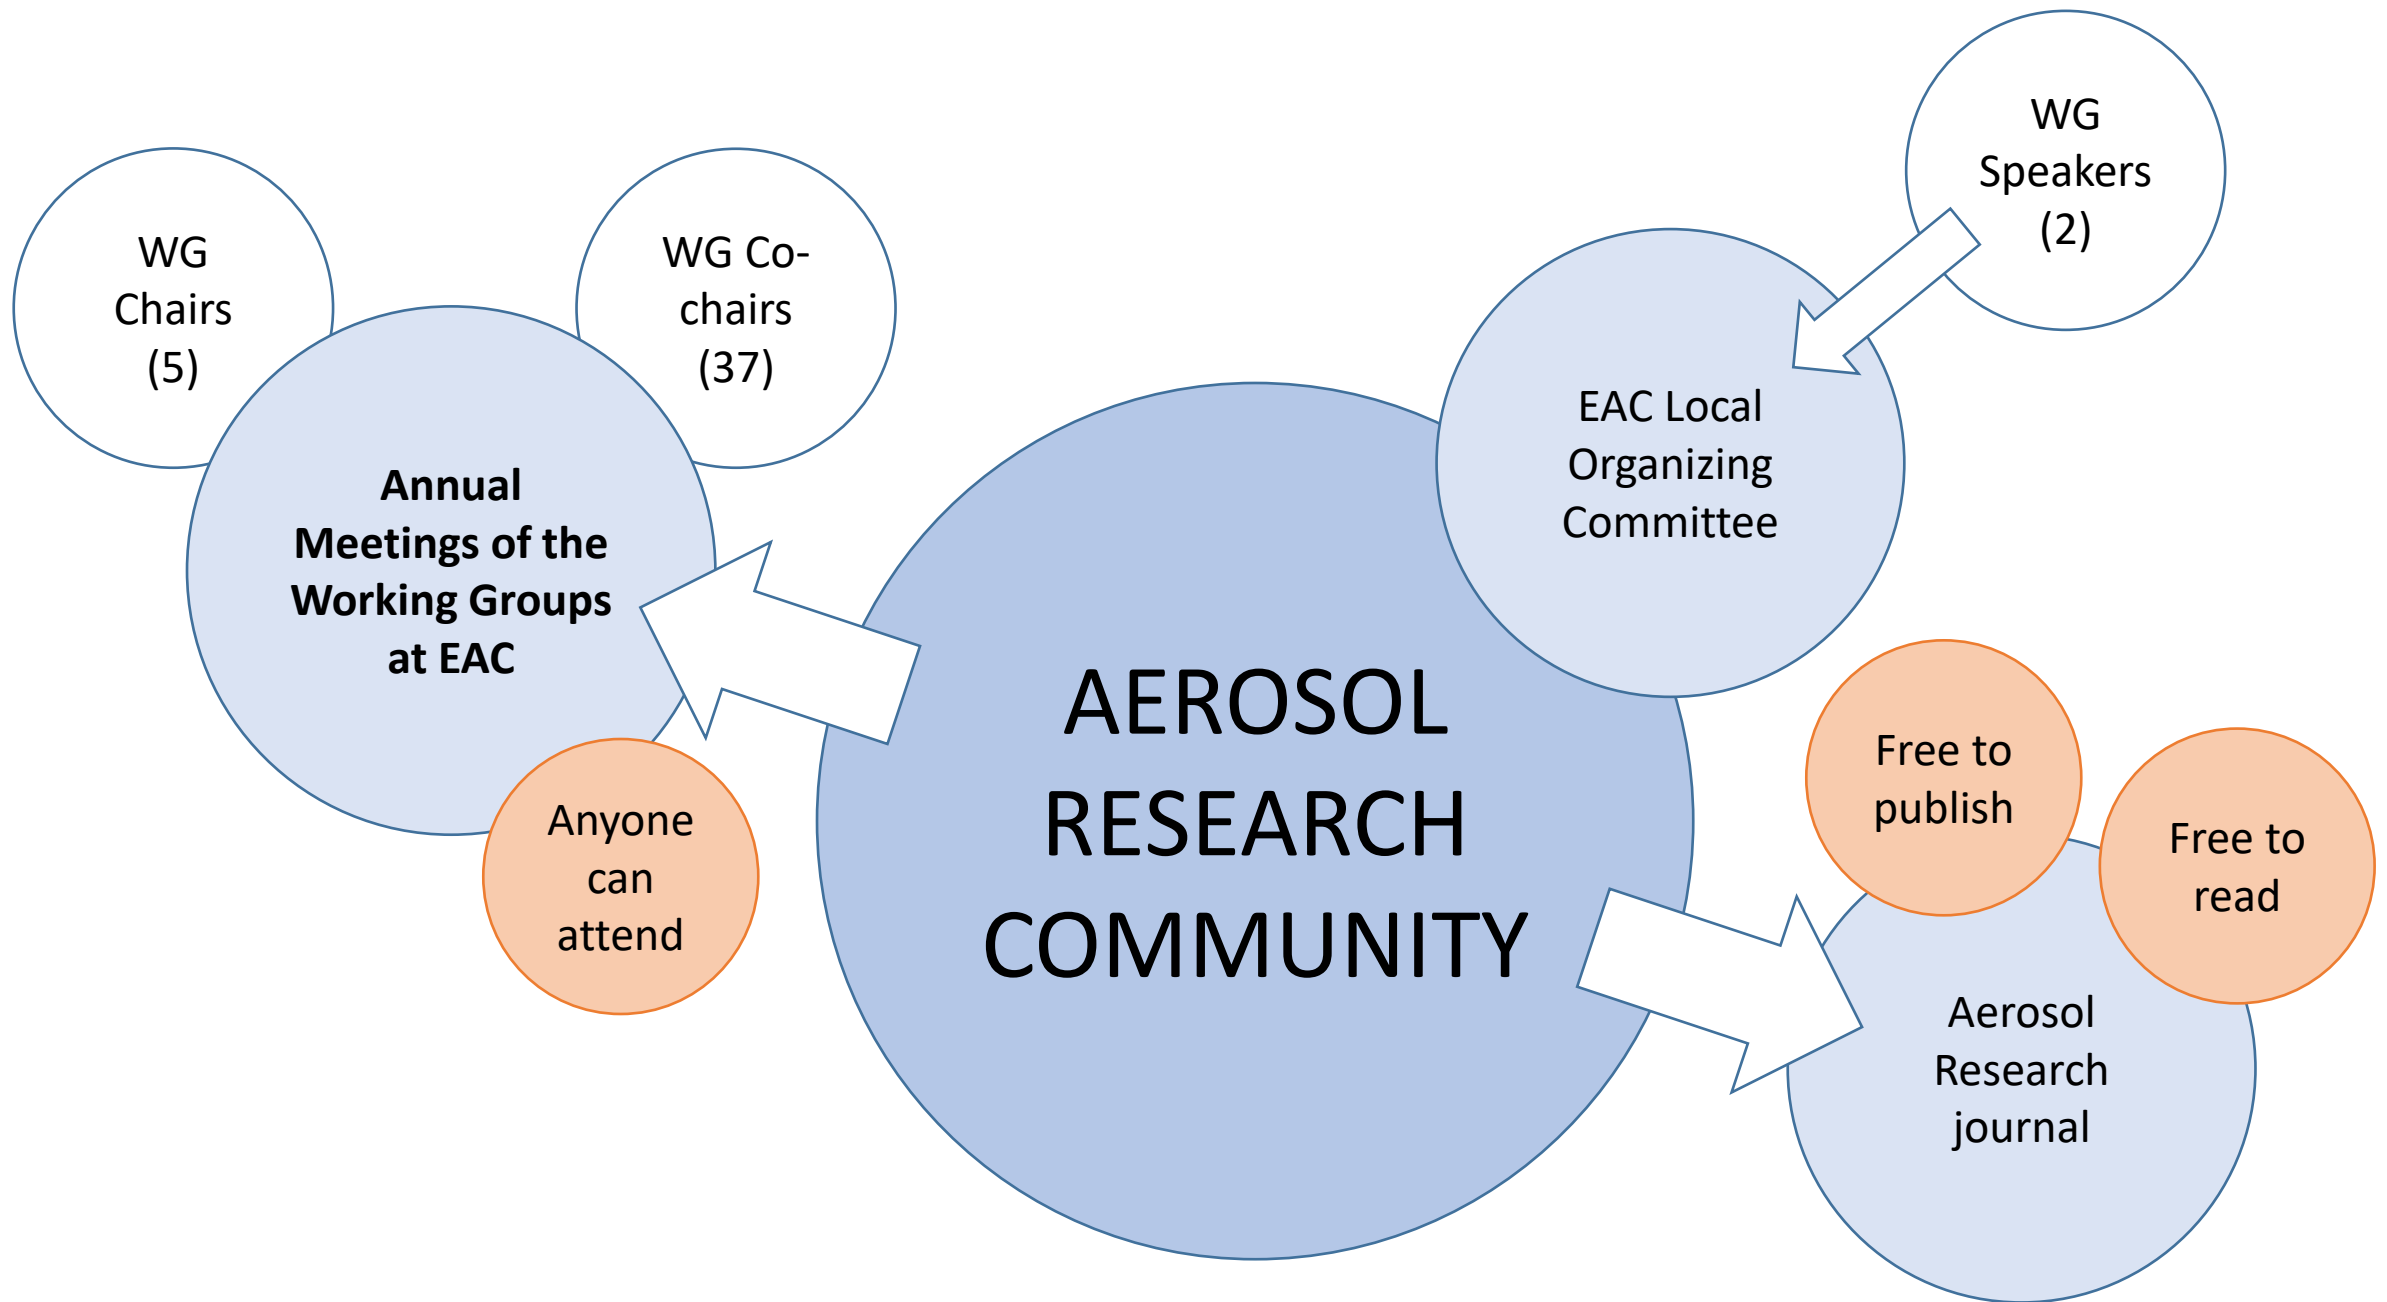

European Aerosol  
Conference

## Five Working Groups:

1. Aerosol Technology
2. Atmospheric Aerosol Studies
3. Aerosol Measurement Techniques
4. Aerosols and Health
5. Basic Aerosol Processes

**Each covering relevant topics of aerosol research within the scope of WG.**

# You can contribute!

- Attend EAC.
- Subscribe to WG mailing list(s) (during abstract submission or write to WG chair).
- Attend WG meeting(s) of your interest (Announced in EAC programme):

**WG1 Aerosol Technology**

**WG2 Atmospheric Aerosol Studies**

**WG3 Aerosol Measurement Techniques**

**WG4 Aerosols and Health**

**WG5 Basic Aerosol Processes**

- Volunteer for EAC abstract reviewing and/or poster evaluation.
- Publish in the Aerosol Research journal.
- Read and cite the Aerosol Research journal.
- Organize EAC or some other event with support of EAA.

Find contacts at: <https://www.info.gaef.de/ea>

# Want to influence future of aerosol research?

## JOIN WG MEETINGS!

AEROSOL  
RESEARCH  
COMMUNITY

Anyone  
can  
attend

**Date: Thursday, 04/Sept/2025**

4:45pm - 5:45pm	<b>WG1 Meeting</b> – open to all community Location: Studium2000 Building6-Room1	<b>WG2 Meeting</b> – open to all community Location: Studium2000 Building6-Room2	<b>WG3 Meeting</b> – open to all community Location: Studium2000 Building6-Room3	<b>WG4 Meeting</b> – open to all community Location: Studium2000 Building6-Room4	<b>WG5 Meeting</b> – open to all community Location: Studium2000 Building6-Room5
-----------------------	---	---	---	---	---

Attend WG meeting which best fits your scientific interest and:

- **Provide input to conference organizers** - this is very important for the planning of next conferences!!!!
  - give general feedback on the conference (venue, oral and poster sessions, social program, etc.) and
  - suggest special sessions, invited speakers, etc. for the upcoming EAC
- **Volunteer to engage with the EAC organization**
  - support with abstract reviewing,
  - become a member of Best Poster Award committee,
  - help identify new topics of general interest or emerging areas of research,
  - get involved in EAA Working groups (if there is a need for new WG co-chairs, this will be announced by the respective WG chair),
  - and more...
